Parks and Leisure Services Assistant Director Gaines shared that new legislation in Florida prevents local governments from creating DEI policies. **Chair Beck** responded that the city attorney

may need to provide clarification, as there is often confusion between DEI as it relates to hiring policies and the purpose of this volunteer board, which is to promote diversity.

NEW BUSINESS

1. Q3 and Q4 2025 Goals and Objectives

Chair Beck shared that new federal bills have impacted UCF and their DEI program, leading them to rebrand the topic for their upcoming talk to “Enhancing Accessibility to Build Community.” They are still reviewing other topics, to make sure they don’t risk losing federal funding for the next speaker series date. The board is paying the speaker \$250 and while the objectives remain the same, the focus is on removing labels that might affect how the speakers are perceived.
